Mr. D. L. Aswell
Vice President, Power Production
Louisiana Power & Light Company
142 Delaronde Street
New Orleans, Louisiana 70174

Dear Mr. Aswell:

My letter of June 4, 1981 outlined the required submittal dates for information to close out open issues in the Waterford SER. I have attached a status report which gives the promised date, the actual submittal date, and adequacy of the submittal. In those cases where the submittal was not adequate to close out the issue, we expect you to provide a further response prior to June 22.

The staff will make every effort to issue the SER on July 6, however, we will require your full cooperation in this effort.

Sincerely,
