 Docket No. 27-39

Dear Mr. Rader:

In your letter dated June 16, 1981 you indicated that you had completed your discovery of NRC documents. Enclosed are copies of the documents that you requested. The cost of reproducing these materials, at five cent per page for 555 pages, comes to \$27.75. Please send a check in this amount payable to the U.S. Nuclear Regulatory Commission in my care.

As you will note two of the documents you have requested, a memorandum from Michael J. Bell, Chief Low-Level Waste Branch to Edwin J. Reis, Assistant Chief Hearing Counsel, dated February 16, 1979 and Nuclear Regulatory Commission Adjudicatory Item (SECY-A-77-78), dated December 15, 1977 from Stephen F. Eilperin, Solicitor, to the Commissioners are not enclosed since they are both privileged documents.

Sincerely,

DS07
