Re: Docket No. 40-2061
 License No. STA-583, Amendment No. 2

Dear Mr. Page:

I received today a copy of your letter of August 11, 1981 to Kerr-McGee Chemical Corporation authorizing the use of an incinerator at Kerr-McGee's West Chicago site. The last sentence of your letter stated that a copy of a safety evaluation supporting this licensing action was enclosed. My copy, however, of your letter did not include a copy of this safety evaluation. I would appreciate your sending a copy of the safety evaluation to me.

Very truly yours,
