Re: Pacific Gas and Electric Company
(Stanislaus Nuclear Project, Unit
No. 1) - NRC Docket No. P-564A

Dear Mr. Chilk:

Enclosed for filing in this matter is an original of "Pacific Gas and Electric Company's Comments on NRC Staff Response to Notice of Prematurity and Advice of Withdrawal."

The NRC Staff's Response raised several technical points not covered by the Notice of Prematurity and Advice of Withdrawal. PGandE prepared its comments on the Staff's Response to complete the record before the Commission by providing the Commission with comments addressed to the Staff's points. Under these unusual circumstances PGandE requests that its Comments be accepted for filing. Copies have been served in accordance with the attached Certificate of Service.

Very truly yours,

Richard L. Meiss
