Subject Controlled Distribution of WVDP OSR, Volume VI - Operational Safety Requirements Manual, OSR-IRTS-3, Rev. 2

To Distribution

cc: MRC - Trailer 50

Attached are the following revisions to the WVDP OSR, Volume VI - Operational Safety Requirements Manual, which has been assigned to you under controlled distribution:

- o The latest Table of Contents.
- o OSR-IRTS-3, Rev. 2 - Maintenance of Spare HLW Storage Capacity

Please replace the previous revision and table of contents with the attached.

Copies of procedures made from a controlled document are to be marked **UNCONTROLLED** before distribution.

To acknowledge receipt of these controlled copies, please sign, date, and return the attached controlled copy distribution sheet by December 26, 1989, to:

Ms. L. E. Domes, Records Management  
 West Valley Nuclear Services Co., Inc.  
 P.O. Box 191  
 West Valley, New York 14171-0191

For your convenience, a return address has been placed on the reverse side of the controlled copy distribution sheet; please fold, staple, and place in the mail.

*L. E. Domes*
