Vice President, Nuclear

Gentlemen:

This will acknowledge receipt of your letter dated November 20, 1989 and your check for \$25,000 in payment for the civil penalties proposed by NRC in a letter dated October 19, 1989. We note that your check referenced EA 87-147 instead of EA 89-135, and assume that this was in error. In addition, we have reviewed your denial of Violation II.B. Our concern with this violation is that an inadequate assessment was originally performed. In view of your stated corrective actions, we have decided not to pursue this matter further and our records will be corrected accordingly. Your corrective actions for the remaining violations will be examined during future inspections.

Sincerely,

Original Signed By  
James Lieberman
