

December 28, 1989

MEMORANDUM FOR: Thomas E. Murley, Director
Office of Nuclear Reactor Regulation

FROM: Jack W. Roe, Director
Division of Licensee Performance
and Quality Evaluation, NRR

SUBJECT: MEETING WITH NUMARC ON MAINTENANCE

On December 21, 1989, representatives from NRR, AEOD, RES, and the EDO's office met with NUMARC representatives to discuss the industry's "Draft Proposed Action Plan for Continued Improvement in Maintenance". Those who attended the meeting are listed in Enclosure 1. A copy of the industry action plan and related documents discussed at the meeting are provided in Enclosure 2. NUMARC intends to present a final proposal to the Commission in late January 1990.

The staff will continue to hold discussions with NUMARC to ensure a continuing dialogue during the future development of the action plan and specifically to discuss maintenance accreditation and the development of an industry maintenance standard.
