Dear Sir:

Re: NRC License

We wish to request renewal of our NRC license
 #20-07827-01. Also, we no longer require the use of
 the Norland Model #278 Bone Densitometer. Dr. Steven
 Gross has left and has taken the Densitometer with
 him.

Sincerely,

Anthony J. Sbarra, Ph.D.
 Director, Medical Research
 and Laboratories

*Note: Since the difference
 was \$150 and since
 they are now deleting
 the human use we did
 not go back for the \$200
 fee & left it at \$200.*
