Dear Mr. Hickey:

This is to inform you that I will be retiring from Government service in the near future and will not be able to continue as designee (Condition 12) Radiation Protection Officer.

Therefore, I recommend that Mr. Herman Tallas, whom is presently the "standby" for the above license. Mr. Tallas has had formal training on the use of the nuclear moisture density meters we have at our location. He will also receive the periodic re-training required for Radiation Protection Officer.

Sincerely,

Civil Engineering Technician
