OFFICE OF ENFORCEMENT  
NOTIFICATION OF SIGNIFICANT ENFORCEMENT ACTION

Licensee: G.P.U. Nuclear Corporation (EA 89-203)  
TMI Unit 2  
Docket No. 50-320

Subject: PROPOSED IMPOSITION OF CIVIL PENALTY - \$50,000

This is to inform the Commission that a Notice of Violation and Proposed Imposition of Civil Penalty in the amount of \$50,000 will be issued on or about January 10, 1990 to G.P.U Nuclear Corporation, Middletown, Pennsylvania. This action is based on a contractor employee receiving an unplanned radiation exposure to the skin of the left hand of approximately 55 rems in violation of the quarterly limit of 18.75 rems. In addition, inadequate surveys were performed which contributed to the exposure.

The mitigation/escalation factors in the Enforcement Policy were considered and no adjustment to the base civil penalty was deemed appropriate.

It should be noted that the licensee has not been specifically informed of the enforcement action. The schedule of issuance and notification is:

Mailing of Notice January 10, 1990  
Telephone Notification of Licensee January 10, 1990

The Commonwealth of Pennsylvania will be notified.

The licensee has thirty days from the date of the Notice in which to respond. Following NRC evaluation of the response, the civil penalty may be remitted, mitigated, or imposed by Order.
