Dear Mr. Thompson:

Reference: NRC License # 20-13881-03g

This letter is notification that our license to distribute in vitro kits under section "conditions" part 10 will not reflect the current status of our shipping operation as of September 19, 1988. Due to a corporate consolidation our shipping department will be relocated from 620 Memorial Drive to 281 Albany Street, Cambridge, Massachusetts. The new shipping department is highlighted in orange on the attached map. At this time I am unable to forward a formal license amendment due to lack of technical information. As soon as the information becomes available I will submit a formal amendment.

Sincerely,

Richard St. Louis
