3. Representatives for the Town of Exeter and the City of Portsmouth (i.e., the parties presently or formerly represented by addressees Power and Canney) have stated to Applicants that they do not object to being removed from the service lists.
4. Several recent mailings to addressee Nadeau have been returned as undeliverable.
5. With respect to addressee Lord, the entity for whom he appears as a representative, the Town of Amesbury, is already
