Dear Ms. Johansen;

Henry Heywood Memorial Hospital is requesting the following amendment to the Hospital's Material License:

Joseph A. Guzzetta M.D., Radiation Safety Officer be removed from the Material License as the Radiation Safety Officer.

Add Walter Wagenknecht M.D., to the Material License as the Radiation Safety Officer.

The above amendment was approved by the Radiation Safety Committee on September 14, 1988.

Enclosed is a check for \$120.

If you should need any further information please contact me.
