Mr. Johnnie Moore and NRC Mentors
U.S. Nuclear Regulatory Commission
Office of Public Affairs
Washington, D.C. 20555

Dear Mr. Moore and NRC Mentors:
I want to thank the NRC staff.
I was impressed with the way the
building is organized. I especially want
to thank you and the mentors for taking
time from your jobs. The lunch was
good; thank you. I learned a lot.

Perhaps I can take another
tour of the building.

Yours truly,
Monik Redix
