Dear Dr. Doerr:

Thank you for your invitation to submit a paper for the upcoming symposium on "Treatment of Mixed (Radioactive - Hazardous) Waste", to be held at the American Institute of Chemical Engineers' 1990 Annual Meeting. Unfortunately, due to other business obligations, the Office of Nuclear Material Safety and Safeguards will be unable to submit a paper for the 1990 Annual Meeting.

Again, thank you for your letter and I wish you success in this symposium.

Sincerely,

(Signed) Robert M. Bernero
