Gentlemen:

Subject: Enforcement Conference Conducted November 14, 1989

This letter refers to the Enforcement Conference conducted at our office in King of Prussia, Pennsylvania, on November 14, 1989, relating to activities authorized by your NRC license. The meeting was attended by you and Dr. A. Brenner of your staff, and by me and other members of the NRC Region I staff. It is our view that this meeting was beneficial in that it improved your understanding regarding the safety concerns and the violations identified during our May 25, 1988 inspection of your facilities and it enabled us to gain a better understanding of your Radiation Safety Program. A report of the Enforcement Conference is attached.

Enforcement action resulting from this inspection will be transmitted to you in separate correspondence.

In accordance with 10 CFR 2.790(a), a copy of this letter and the enclosure will be placed in the NRC Public Document Room.

No reply to this letter is required. Your cooperation with us in this matter is appreciated.

Sincerely,

Original Signed By:
