Re: Seabrook Public Meeting of January 18, 1990

Dear Secretary Chilk:

On behalf of the Attorney General of the Commonwealth of Massachusetts, I would like to request the opportunity to make a short statement to the Commission at its public briefing on Seabrook plant readiness. I am planning to attend this meeting scheduled for January 18, 1990 and would like to reserve approximately 5 minutes to respond, if necessary, to the presentations by the NRC Staff and Applicants on the readiness of the plant for operation. I understand that it would be inappropriate for me to comment in any fashion on the merits of any matters which form part of the Seabrook contested licensing proceeding.

Thank you for your consideration.

Sincerely yours,

*John Traficante*
