In the Matter of Northern States Power Company
(Pathfinder Atomic Plant, Byproduct Material License
No. 22-08799-02) Docket No. 30-05004-MLA

Dear Mr. Bordenick:

On January 10, 1990, an order was served in the subject proceeding granting South Dakota Resources Coalition's request for a hearing.

As you know the Informal Hearing Procedures for Adjudication in Material Licensing Proceedings call for the establishment of a hearing file within 30 days of the entry of the order.

I would appreciate learning whether the hearing file, when first established, will contain the NRC environmental impact statement or assessment and the safety evaluation report. If any of the reports will not be in the initial file, would you please advise when you would expect that they will be made part of the hearing file.

Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Morton B. Margulies".
