

JAN 18 1990

MEMORANDUM FOR: Peter J. Rabideau, Director
 Division of Budget and Analysis
 Office of the Controller

FROM: Lloyd J. Donnelly
 LSS Administrator

SUBJECT: REQUEST TO REPROGRAM \$24K OF PROGRAM SUPPORT
 FUNDS IN FY 1990 TO SUPPORT LSSA LAN
 INSTALLATION

The Office of Information Resources Management has completed a requirements analysis for a Local Area Network (LAN) Plan for my office. My FY 1990 budget contains \$40K for office automation. The cost of the LAN and all related hardware and software to meet our requirements is \$64K. I request that the \$24K shortfall be satisfied by reprogramming \$24K from our FY 1990 Program Support to IRM to fully fund the LAN.
