

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

NOV 23 1989

24 P142

11-29-89  
Mike

MEMORANDUM FOR: Thomas E. Murley, Director, NRR  
Robert M. Bernero, Director, NMSS  
Joseph Scinto, Deputy General Counsel, OGC

FROM: James Lieberman, Director  
Office of Enforcement

SUBJECT: CONCURRENCE ON PROPOSED RULE HOLDING UNLICENSED PERSONS  
ACCOUNTABLE FOR WILLFUL MISCONDUCT AND COMMISSION PAPER

Enclosed for your review and concurrence are the proposed rule that addresses the wrongdoers issue and the Commission paper that forwards it. This draft reflects the comments that were made by the program offices and Regions on an earlier draft. OE considers these documents ready to submit to the EDO. I would appreciate your concurrence as soon as possible, and no later than December 8, 1989.

Please be aware that this proposal has significant implications for the regulatory process.

  
James Lieberman, Director  
Office of Enforcement

Enclosure: As stated
