IN RESPONSE REFER  
TO FOIA-89-A-32  
(FOIA-87-88)

Dear Ms. Bauman:

This is in response to your letter dated November 13, 1989, in which you appealed Mr. Donnie H. Grimsley's response dated October 16, 1989. Mr. Grimsley's response denied portions of four records, identified on the enclosed appendix, subject to your Freedom of Information Act request for records concerning specific inspection reports for the General Electric facility in Wilmington, North Carolina.

Acting on your appeal, I have carefully reviewed the record in this case and have determined that the previously withheld information may now be made publicly available. Your appeal is, therefore, granted.

The four records listed on the enclosed appendix are enclosed in their entirety.

Sincerely,

*for James L. Blaha*
