RE: Quality Assurance Program Approval No. 0384

Dear Mr. Gordon:

This is a request to amend the above-referenced QA Program Approval to reflect the correct business name.

The company name and address for this approval should be listed as follows:

E. I. du Pont de Nemours and Company  
Medical Products Department  
331 Treble Cove Road  
North Billerica, MA. 01862

This address is to be used in place of the name New England Nuclear Corporation. The various businesses that were known as NEN are now part of Du Pont's Medical Products Department.

I talked to Gloria Bennington of your office, today, concerning our request to be registered as a user of Certificate of Compliance No. 6144. We will be using this package under our existing Q. A. Program Approval, No. 0384. For further information on this request, please reference the letter dated 12/13/89 from D. Dumas, Du Pont, to C. MacDonald, NRC, and the letter dated 12/20/89, SGTBER 71-6144, from C. MacDonald, NRC, to D. Dumas, Du Pont.

Please contact me if you need any additional information.

Sincerely,

*Francis E. Roy Jr.*
