Subject: Change of Room Location
NRC License No. 29-12997-01
Issued to St. James Hospital

Gentlemen:

At the present time we would like to amend our byproduct materials license to reflect the following change in our program:

- 1) Change of physical location of our Nuclear Medicine Department. We would like to have NRC approval to move our Nuclear Medicine Department to a larger room within the same building. A floor diagram of this proposed area is enclosed for your review. Once the move to our new location is made, a decommissioning survey and wipe test will be performed in our old department. Results will be forwarded to your offices for review.

Please check your records for receipt of our check No. 32317 in the amount of \$120.00 dated September 22, 1988.

Sincerely,

Charles L. Brennan
President
