Gentlemen:

Thank you for your letter of December 28, 1989, in response to Mr. Martin's letter of October 25, 1989, regarding a report of an investigation at Arkansas Nuclear One. Your initial reply addressed our five concerns and we accept your proposal to provide additional specific information in response to the Diagnostic Evaluation Team Report and the Systematic Assessment of Licensee Performance Report. We will conduct further followup reviews in those areas as appropriate.

Sincerely,

Original Signed By:
