Gentlemen:

SUBJECT: Comments to Proposed Revisions to 10 CFR Part 170 on License Fees

Omaha Public Power District (OPPD) submits the following comment to the NRC's proposed revisions to 10 CFR 170 concerning license fees (Reference 2). Of the major changes proposed to Part 170, OPPD has concerns only on the revision of 10 CFR 170.12(h) which requests that bills in excess of \$5000 be paid by electronic fund transfer. OPPD's comment is that each invoice in the amount of \$5000 or more should be accompanied by specific payment instructions indicating payment by electronic fund transfer. This will allow for the proper disbursement of OPPD's license fees and assure that OPPD will be in compliance with the code.

If you should have any questions, please contact me.

Sincerely,
