MOTION FOR EXTENSION OF TIME

Counsel for Advanced Medical Systems, Inc. (AMS) moves this Board for an extension of time to respond to the NRC Staff's Motion for Summary Disposition. Said document, which contains several hundred pages, was not received by Counsel for AMS until January 16, 1990 and is due on or about February 5, 1990. AMS requests a 30-day extension until March 7, 1990 to reply to this voluminous document. Counsel for AMS previously requested this extension from Ms. Colleen Woodhead, Counsel for NRC, due to other pressing matters, but she refused to agree to more than a 15-day extension even though she was informed that, unlike the NRC, AMS' attorneys are sole practitioners. This motion is not interposed for purposes of delay.

Based upon the foregoing, AMS respectfully requests this motion be granted. A proposal order is attached.

Respectfully submitted,

Janet G. Aldrich
