Dear Mr. Wein:

This refers to your letter dated January 3, 1990 and your phone calls with S. Baggett on January 4, 1990 and myself on January 3, 1990.

From our phone conversation and letters, we understand that possession and initial distribution of all the devices, compass Model CO 190001 and watch Models 211, 348 and 350 will take place at your facility located at 210 Eight St. Lewiston, NY. We understand that you have spoken, by phone, with Mr. Frank Bradly of the Agreement State of New York concerning the possession license and that you will continue to work with the State of New York to obtain their authorization to possess the material at your Lewiston facility.

To continue with our review of your application for a license to initially distribute compass Model CO 190001 and watch Models 211, 348 and 350 to persons exempt from the requirements for a license pursuant to 10 CFR 30.19, we will need the following information before issuance of the distribution license:

1. Confirm in writing that the Lewiston, NY facility will be the location for initial distribution and identify your US legal representative.
2. Discussion of your receipt inspection system to verify design, construction, labeling and ensure proper QA checks have been performed by sampling 5 to 10 percent of the products. The receipt inspection system must include procedures for both compass Model CO 190001 and watch Models 211, 348 and 350.
3. A commitment to keep records and report transfers as required in Section 32.25 of 10 CFR Part 32.

If you have any questions, please feel free to contact me at (301) 492-0503 or Steven L. Baggett at (301) 492-0542.

Sincerely,
