Gentlemen:

Subject: INQUIRY NO. 90-001

This refers to a telephone inquiry between you and Steven Courtemanche of this office on January 11, 1990. The subject of the inquiry was the pending need for the renewal of your license by January 31, 1990.

From this discussion, we learned that you still possess material which requires a specific NRC license and that you intend to dispose of the licensed material in the near future. It is our understanding that an amendment request to extend your license for 90 days shall be sent to the Region I Office at 475 Allendale Road, King of Prussia, Pennsylvania 19406. Please send it so that it is received by the Region prior to the expiration date of the license. If our understanding is incorrect, please inform us in writing.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter will be placed in the Public Document Room. Should you have any questions concerning this inquiry, we would be pleased to discuss them with you.

Thank you for your cooperation in this matter.

Sincerely,
