RE: License No. # 37-07284-01

Gentlemen:

Please amend license #37-07284-01 to reflect a relocation of the nuclear medicine department. The relocated nuclear medicine department is located on the third floor. A close-out survey will be performed on the vacated department. The old department will not be released for unrestricted use until permission is granted from the NRC.

We request that this amendment application be expedited.

If there are any questions, please contact our consultant, Daniel Patrick at (412) 281-6113.

Sincerely,

Perry Davis
