Attn: A. Bill Beach, Director
Division of Radiation Safety
and Safeguards

Sir,

In response to your letter dated 1/18/90.

(1.) Reason for the violation. The work started sooner than I expected it to. It was an oversight on my part.

(2.) Corrective action. Stay out of Oklahoma until I have notified the N.R.C.

(3.) Corrective steps taken to avoid further violations. Apply for an N.R.C. License as soon as you send me an application. I requested one in November, but haven't received it yet.

(4.) I feel I have complied with N.R.C. by staying out of Oklahoma. I did send in Form 241 after after I was told to leave Oklahoma.

Sincerely,

Orvil Couch
