Gentlemen:

SUBJECT: ACCEPTANCE OF CHANGES TO THE OPERATIONAL QUALITY ASSURANCE PROGRAM
FOR WATERFORD 3SES

We have reviewed the changes addressed in Revision 3 of the Quality Assurance (QA) program description for Waterford 3 Steam Electric Station submitted by your letter W3P89-2148, dated December 14, 1989. We find that Section 17.2 of the Updated Final Safety Analysis Report (UFSAR) continues to meet the requirements of 10 CFR 50, Appendix B and, therefore, the changes are acceptable. If there are changes to QA commitments existing in docketed correspondence outside of the UFSAR QA program description, you are obligated to notify this office.

Any questions you may have concerning this review should be directed to Mr. Ian Barnes of our staff at (817) 860-8176.

Sincerely,
Original Signed By:
Samuel J. Collins

Samuel J. Collins, Director
