Docket No. 030-11006
License No. 53-16421-01

Dear Mr. Thomas:

The Honolulu Medical Group requests an immediate License Amendment specifying Scott Dube, M.S., as Radiation Safety Officer. His resume and certifications are attached. Scott is presently Radiation Safety Officer for The Queen's Medical Center, USNRC License No. 53-16533-02.

We intend to amend the license in its entirety in the near future to clearly identify the conditions specified in 10CFR as well as the current Honolulu Medical Group license. At that time, we shall delete all references to previous correspondence.

Your timely response to this most urgent amendment would be greatly appreciated.

Respectfully submitted,

Richard L. Littenberg, M.D.
