In the Matter of  
ALL CHEMICAL ISOTOPE ENRICHMENT, INC.  
(AlChemIE Facility-2 Oliver Springs)  
Docket No. 50-604-OM/SC; ASLBP No. 87-596-01-OM/SC

Dear Administrative Judges:

This is in further response to Judge Margulies' joint letter dated January, 17, 1990, to me and licensee's counsel. As I stated I would do in my January 26, 1990, letter to the Board, I have unsuccessfully attempted yesterday and today to reach Mr. Irving by telephone. Accordingly, the Staff respectfully suggests that a telephonic on the record Prehearing Conference be set up at the Board's convenience.

In the interim, by means of a copy of this letter, I am requesting licensee's counsel to contact me as soon as possible to discuss several ideas I have to amicably dispose of this proceeding.

Sincerely,

*Bernard M. Bordenick*
