Program Code: 03620

U.S. Nuclear Regulatory Commission, Region I  
Nuclear Materials Safety Section B  
475 Allendale Road  
King Of Prussia, PA 19406

Gentlemen,

This is an application for renewal of our license no. 08-00604-03, issued to the Geophysical Laboratory, Carnegie Institution of Washington, 2801 Upton St., N.W., Washington, D.C., 20008. As our program is unaltered since our previous renewal (relevant documentation enclosed), we have chosen this simple renewal format.

You may contact Dr. Bjorn O. Mysen, Radiation Protection Officer, ph. (202)966-0334, for questions regarding this application.

Our check in the amount of \$150.00 in payment of the renewal fee is enclosed.

Sincerely,  
*Charles T. Prewitt*  
Charles T. Prewitt  
Director
