Dear Ms. Jacoby:

When I visited with you, Mr. Hawkins and Mr. Hall on December 12, 1989, you asked if I would provide you with an additional copy of our September, 1989, proposed reclamation plan for the Johnny M site. Please find enclosed a copy of that proposed plan. As we discussed on December 12, we are considering revisions to the reclamation plan and will be back in touch with you in the near future.

Very truly yours,

Larry A. Drew
Manager - Environmental Affairs
