Dear Mr. Trout:

Enclosed is the additional copy of the City of Newburyport's Brief on Appeal of the Partial Initial Decision of the Seabrook Plan for Massachusetts Communities LBP-89-32 as well as the CON's Statement of Issues Presented Regarding Appeal of LBP-89-32 and TON's Statement of Issues Presented Regarding Appeal of LBP-89-32. As you recall, you asked that we provide you with an addition copy of these documents for the reason that the copy you received had not photocopied well.

I regret any inconvenience this may have caused you. In case any other parties experienced a similar difficulty with legibility, I am providing additional copies of these documents to everyone on the service list.

Very truly yours,

R. Scott Hill-Whilton
