James T. Roderick

Box 916

OFFICE OF SECRETARY  
DOCKETING & SERVICE  
BRANCH

Homer ALASKA

99603

Dear Sirs;

I support entirely the standards  
for nuclear material transport set down  
in the Murkowski amendment (Nureg 0360).  
Do not substitute the weak standards  
of the IAEA for real protection.

Thank you  
James T. Roderick
