Re: U.S./Japan Nuclear Cooperation Agreement
~~with~~

This agreement would be detrimental
to our efforts to maintain a clean
environment for future generations.

I support senator Murkowski's standards
for Plutonium Shipments over ~~Flask~~
oppose energy departments undermining
with new international standards. Please
see that my comment is given to
the Docketing & Service Branch of the
U.S. Nuclear Regulatory Commission
& Senator Murkowski before the
comment period ends on Feb 9
