DEAR EMILE -

I AM WRITING TO EXPRESS MY DEEP CONCERN OVER THE WEAKER STANDARDS PROPOSED BY THE INTERNATIONAL ATOMIC ENERGY ASSOCIATION PERTAINING TO PLUTONIUM FLIGHTS OVER ALASKA. SENATOR MURKOWSKI WORKED HARD TO PRODUCE AMMENDMENTS AND STANDARDS TO PROTECT US IN ALASKA FROM THE DANGERS REGARDING PLUTONIUM TRANSPORTATION.

I FIRMLY ENDORSE THE STRICTES AND MOST STRINGENT STANDARDS AVAILABE TO ASSURE US PROTECTIO.

WE DO NOT WANT PLUTONIUM FLOWN OVER ALASKA IF THERE IS ANY CHANCE OF DANGER TO OUR STATE.

WITH KIND REGARDS
John W. Hillstrand Nancy J. Hillstrand
