ATTN: R.J. Caniano, Chief  
Nuclear Materials Safety  
799 Roosevelt Road  
Glen Ellyn, Illinois 60137

Dear Mr. Caniano,

Enclosed you will find Marquette General Hospital's response, prepared by Ray Wery, to your notice of violation dated December 28, 1989.

The Administration of Marquette General Hospital will monitor the implementation of the correction action described through our participation in the Radiation Safety Committee and we remain committed to operating in compliance with all NRC requirements.

Sincerely yours,

*Robert C. Neldberg*
