Docket Nos. 50-317/318

Baltimore Gas & Electric Company
ATTN: Mr. J. A. Tiernan
Vice President - Nuclear Energy
P.O. Box 1475
Baltimore, MD 21203

Gentlemen:

With your application dated January 24, 1990, you remitted a check for \$150. This application requested exemption from 10 CFR 50 Appendix R for the Calvert Cliffs Nuclear Power Plant Unit Nos. 1 and 2. The enclosed revisions to 10 CFR 170 that became effective on January 30, 1989, deleted the requirement for a \$150 application fee for reactor applications and topical reports. Therefore, a \$150 check does not need to be remitted with future applications.

As an administrative convenience, we are not refunding the \$150 to you. Instead we will give credit for it when an invoice is issued for review of that application. Let us know if this is not acceptable to you.

Sincerely,

Douglas Weiss, Chief
