William W. Cobey, Secretary
State of North Carolina Department
of Environment, Health and Natural
Resources
P. O. Box 27687
Raleigh, NC 27611-7687

Dear Mr. Cobey:

Enclosed is a corrected copy of my January 23, 1990 letter to you which reported the results of our review of the State's radiation control program.

Please accept my apology for any confusion caused by our earlier references to "Deputy Director Tierny and Charles McMahon." Were it in my power to add these capable people to supplement your staff, I would do so, but I am afraid that their Department Secretary would voice considerable objections.

Sincerely,

A handwritten signature in cursive script, reading "Carlton Kammerer".

Carlton Kammerer, Director
State Programs
Office of Governmental and Public Affairs
