Reference: 1. E. J. Mroczka letter to U.S. Nuclear Regulatory Commission, "Haddam Neck Plant, Millstone Nuclear Power Station, Unit Nos. 1, 2, and 3, Distribution Lists for Correspondence From the NRC."

Gentlemen:

Haddam Neck Plant
Millstone Nuclear Power Station, Unit Nos. 1, 2, and 3
Distribution Lists for Correspondence From the NRC

On December 29, 1989 (Reference 1), we identified several revisions to the distribution of correspondence originating from the Region I office. Since that time several organizational title changes have occurred which affect the NRC distribution lists used by both Region I and NRR, although the individuals themselves have not changed.

The attachments reflect the new titles as of February 1, 1990, and should be used by Region I and NRR in place of Reference 1. Thank you for considering this supplemental request that all future letters to Connecticut Yankee Atomic Power Company and Northeast Nuclear Energy Company should reflect these new titles.

Very truly yours,

NORTHEAST NUCLEAR ENERGY COMPANY
CONNECTICUT YANKEE ATOMIC POWER COMPANY
