To whom it may concern,

I, Erik R. Erb, on behalf of myself and the 91 signing petitioners, wish to withdraw the petition, assigned Docket PRM-26-6, dated August, 17 2010. The rule has been changed to our satisfaction and the issues raised in the petition are no longer of concern. Thank you for your diligence and consideration into this matter. Please feel free to contact me with any further questions.

Sincerely,
