Mr. W. F. Kirk  
UNC Naval Products

Uncasville, CT 06382

Dear Mr. Kirk:

This refers to your application dated February 13, 1989, requesting renewal of Certificate of Compliance No. 9189 for the Model No. 9189 package. Since an application was submitted at least 30 days prior to expiration of the Certificate of Compliance, the Certificate of Compliance will not be deemed to have expired until the applications has finally been determined.

In connection with our review, we need a consolidated application. The consolidated application should include the references in the Certificate of Compliance, i.e. the UNC Naval Products application dated February 2, 1984, as well as supplements dated April 25, June 1 and June 21, 1983. The consolidated application should also include sections on Operating Procedures and Maintenance Programs in the format of Sections 7 and 8 of Regulatory Guide 7.9. Note that the Certificate of Compliance may be conditioned to specifically cite the Operating Procedures and Maintenance Program.

This information should be provided within 90 days from the date of this letter. If you have any questions regarding this matter, we would be pleased to meet with you and your staff.

Sincerely,  
Original Signed by  
CHARLES E. MACDONALD
