Mr. A. Bert Davis
Regional Administrator
U.S. Nuclear Regulatory Commission
Region III
799 Roosevelt Road
Glen Ellyn, IL 60137

Dear Mr. Davis:

Please advise as to whether a Commissioners' Briefing was held in the past few months. We have not received any information and it is my understanding that Commissioners' Briefings are generally held in December. If, in fact, a briefing was held, I would appreciate the itinerary from same.

Thank you for your prompt attention to this matter.

Sincerely,

SHERRY J. STEIN
Director of Regulatory Affairs
