Dear Dr. Rice:

I am writing to invite you to participate in a special program commemorating the contributions of women to be conducted by the Nuclear Regulatory Commission as part of our observance of National Women's History Month in March 1990. We would be honored if your busy schedule would permit you to be the keynote speaker for this program.

The program will be held at the Holiday Inn Crowne Plaza in Rockville, Maryland, from 2:00 to 4:00 p.m. We have identified several potential dates for this event, and as keynote speaker, your availability will determine on which of these dates the program will be scheduled. The dates are March 6 (Tuesday), March 15 (Thursday), or March 22 (Thursday), 1990. We have set aside 20 minutes for your presentation; however, this can be adjusted to accommodate your schedule.

If you or your staff have any questions concerning our invitation, please contact Ms. Era Marshall, Federal Women's Program Manager, on 301/492-7082.

Sincerely,
