"H.8 Contract Security Requirements

Performance under this contract will involve unescorted access to protected and vital areas of nuclear power plants or access to unclassified Safeguards Information (SGI). This may involve a National Agency Check with Inquiries and Credit Investigation for unescorted access to protected and vital areas of nuclear power plants and/or a National Agency Check for access to SGI or such other investigation deemed necessary by the NRC in accordance with 10 CFR Part 10 and NRC Manual Chapter 2101, Appendix Part VI. The contractor shall submit through the Project Officer to the NRC Division of Security within thirty (30) calendar days following contract award, modification, or proposal of new personnel for contract tasks, a completed Personnel Security Forms packet including a Questionnaire for Sensitive Positions (SF-86) for all personnel requiring the investigation. The contractor shall assure that all forms are accurate, complete, and legible (except for Part 2, Questionnaire for Sensitive Positions, which is required to be completed in private and submitted by the individual to the contractor in a sealed envelope). Any question regarding the individual's eligibility for access to protected and vital areas or access to SGI will be resolved in accordance with the provisions as set forth in 10 CFR Part 10, which is hereby incorporated by reference and made a part of this contract as though fully set forth herein. However, based on SEC review of the applicant's security forms and/or the receipt of adverse information by NRC, the individual may be denied unescorted access or access to SGI until a final determination of his/her eligibility for unescorted access or access to SGI is made under the provisions of 10 CFR Part 10."

All other terms and conditions of the contract, including the ceiling amount of \$198,700.28, remain the same.
