Dear Mr. MacDonald:

Chem-Nuclear Systems, Inc. (CNSI) respectfully submits our application for the renewal of Certificate of Compliance No. 9168. As requested in your letter of January 31, 1990 (Reference 2), a consolidated application is being submitted. Six copies of Revision 0 of the Safety Analysis Report are enclosed. This Safety Analysis Report includes previous supplements, drawings, and pertinent information, and is formatted in accordance with Regulatory Guide 7.9.

Section 7.0 of the Safety Analysis Report, Operating Procedures, and Section 8.0, Acceptance Tests and Maintenance Program, have been reviewed for completeness and no revisions are necessary. No changes in cask contents are requested.

In accordance with 10 CFR Part 170.31, enclosed is payment in the amount of \$150.00 (one-hundred fifty dollars) for this request for renewal.

Should you or members of your staff have any questions concerning this application, please feel free to contact me.

Very truly yours,

Charles R. Witt
Sr. Project Engineer
