Gentlemen:

Subject: Routine Inspection No. 030-19381/89-01

On October 16, 1989, Thomas K. Thompson of this office conducted a routine safety inspection at the above address of activities authorized by the above listed NRC license. The inspection was limited to a review of your planned termination of nuclear medicine services including independent measurements taken by our inspector at your facilities. The findings of the inspection were discussed with you and Mark Wellens, M.D. at the conclusion of the inspection.

From the discussions between our inspector and you at the conclusion of the inspection we understand that you desire to request termination of your license. Please complete the enclosed Form 314 and return it to this office within 30 days of receipt of this letter.

Within the scope of this inspection, no violations were identified.

In accordance with Section 2.790 of the NRC's "Rules of Practice", Part 2, Title 10, Code of Federal Regulations, a copy of this letter will be placed in the Public Document Room.

Your cooperation with us is appreciated.

Sincerely,

Original Signed By:
